NAFAT is a growing professional association for forensic autopsy technicians and affiliated staff to provide a network of resources for innovation, standardization, and certification of our work. The association was founded in September 2020 and is a recognized 501(c)(3) nonprofit organization. We currently have received 172 applications for official membership from 61 offices in 29 states, Norway, and the United Kingdom.

Register online with our website to access exclusive materials for our official members, register for our monthly newsletter, and begin networking with professional autopsy staff!
